

NEIGHBORHOOD WATCH

FOR

The Town of Kinderhook

A neighborhood watch is just that, a watch. Together with the guidance of local law enforcement we can help to make our neighborhoods and parks safe for everyone.

Meeting with our neighbors and law enforcement allows us to share what we are seeing and learn what is being done to correct areas of concern.

The meetings also give information into caring for each other in times of need. This could come in the form of a severe storm or as simple as not having seen your neighbor in a few days.

Together we can make a difference and bring back the enjoyment of being part of a caring community.

If you notice suspicious behavior PLEASE report it ASAP. By calling the numbers below.

NEVER be afraid to call. Our law enforcement officials encourage us to call whenever we feel the need.

911 (should be your first call)

Columbia County Sherriff 828-3344

New York State Police 851- 2001
